Volunteers Needed

Volunteers play a major role in helping our tournaments run smoothly. **If you are available to help before or during the tournament, please contact Katti Bieck:**

katti@thelukepierfoundation.org

Volunteers are needed for the following:

- Pass out flyers at local ball fields to advertise tournament
- Make phone calls to potential tournament sponsors
- Tournament set-up
- Entrance gate (collect entrance fees & direct teams to the check-in tables)
- Food service during tournament
- Track games & report final scores back to main table
- Other tasks as needed
- We will work with your availability!

3rd Annual Softball Tournament

Saturday, May 2, 2009

Renaissance Park

Charlotte, NC

Men's & Co-Ed's Tournament

Our Story

The Luke Pier Foundation was started when Luke, an energetic 13-year old Charlotte resident, was diagnosed on February 7, 2007, with a dilated aortic root (aneurysm). He is being monitored by Johns Hopkins to study the relationship of the aneurysm & a connective tissue disorder. Since his diagnosis, Luke has developed a passion for funding medical research that will, in his words, "Help fix me & others like me."

The Luke Pier Foundation is here to do just that! We want to be recognized in the community as a front-runner in the fight for a cure of connective tissue disorders as well as helping provide funding & encouragement to those who lack resources or health insurance.

Our Mission

The Luke Pier Foundation is a non-profit organization committed to provide funding for life-saving scientific research focusing on, but not limited to, connective tissue disorders. We are also committed to help provide funding and encouragement to individuals for medical treatment they may not otherwise receive due to limited resources or lack of health insurance.
